

Gongju High School, Seoul
South Korea

July 17-22, 2023

*An Intercultural Exchange on
Remembering History,
Embracing Friendships,
and Advocating for Peace*

The theme of this intercultural exchange program is History, Friendship, and PEACE.

Students will be engaged in classes and special activities at Gongju High School with their students, as well as lively dialogues with each other to learn about cultures and intercultural connections. Students from both schools will also visit historical sites in Paju and Seoul to gain insights into historical events, reflect together on the meaning of Peace, and think deeply about what role today's young citizens can play as ambassadors to promote world peace and diplomacy through international exchanges between the two countries.

Students will stay with host families during the exchange trip for immersive experiences. In addition, they will visit famous sights in Korea to learn about the unique culture of Korean tradition.

Proposed Daily Activities:

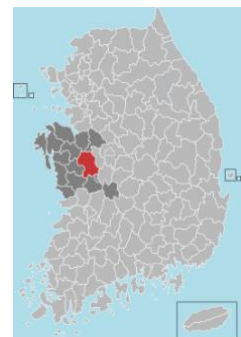

- July 17-19: [Gongju High School](#) classes and special activities
- July 20: Visits to selected historical sites in Seoul
- July 21: Korean culture experience ([food](#), traditional games, [K-pop](#), etc.)
- July 22: Evaluation/Reflection

Trip Cost:

The ground expenses in Korea will be covered by Gongju High School, which includes homestay, activities, visits, and meals. Participating La Salle College Preparatory students are financially responsible for the RT airfare from Los Angeles to Seoul.

As a token of appreciation for Gongju High School's generosity and to create a long-lasting friendship between student participants from both schools, we hope that participating students from La Salle College Preparatory will consider hosting students from Gongju High School when they visit.

If you are interested or have questions, please contact Ms. Sun at 626-696-4389, jsun@lasallehs.org, or stop by her office in room 350.
