## San Miguel Scholarship Makes Lasting Impact

# 2021-2026 Strategic Plan

*La Salle College Preparatory's Five-Year Strategic Plan: Innovation, Leadership, and Sustainability* was developed in collaboration with our administration, faculty, staff, and Board of Trustees. This plan charts a course of action that will guide La Salle toward unprecedented student opportunities, outstanding scholastic achievement, and robust out-of-classroom learning and inspiration. Rooted in our Lasallian and Catholic foundation, the goals and objectives outlined in this strategic plan will ensure we achieve our mission to provide an outstanding academic experience and education for our students.

Thank you for being part of this journey, we welcome you to view the presentation we've prepared at the following link:

# LEADERSHIP MESSAGE

Dear La Salle College Preparatory Community,

As we embark on another academic year, I am filled with a profound sense of gratitude for the enduring legacy of Saint John Baptist de La Salle. As I begin my fifth school year with the proud honor of serving as La Salle's school president, I continue to be inspired and guided by our school's Five Core Principles. These principles are my "north star" and help to ensure that the work we do, alongside an outstanding faculty and staff, always keeps student learning and passion at the forefront of our decisions and strategic direction.

**Faith in the Presence of God:** At the heart of our community lies a deep-rooted faith in the presence of God. Through prayer, reflection, and service, we seek to deepen our spiritual lives and connect with a higher power. In the past five years, we have enhanced our faith formation programs, including retreats and service opportunities, to foster a stronger spiritual foundation for our students. This spiritual foundation fuels the passion that drives our students to make a difference in the world.

**Inclusive Community** La Salle is a vibrant and diverse community where every individual

is valued and respected. We embrace differences and celebrate the unique contributions of each member. Over the past five years, we have made significant strides in creating a more inclusive environment, implementing initiatives that ensure all feel welcomed, and fostering intercultural understanding through global education programs. This inclusive environment fosters a sense of belonging and empowers students to pursue their passions to their fullest potential.

**Concern for the Poor and Social Justice** We are committed to serving those in need and working for a more just and equitable world. Through various service projects and social justice initiatives, our students learn the importance of compassion, empathy, and action. In recent years, we have expanded our community service programs, partnering with local organizations that address pressing social issues such as homelessness, hunger, and environmental sustainability. These experiences ignite a passion for social justice and inspire students to become agents of change.

**Quality Education** A cornerstone of our mission is providing a rigorous academic program that prepares our students for

success in college and beyond. Our dedicated faculty is committed to inspiring a love of learning and fostering critical thinking skills. In the past five years, we have invested in state-of-the-art technology, expanded our course offerings, and strengthened our college counseling program to better support our students' academic and personal goals. Our new Centers of Innovation, equipped with cutting-edge technology and resources, provide students with opportunities to explore their passions and develop innovative solutions to real-world problems.

**Respect for All Persons** Respect is the foundation of all human relationships. We treat each other with dignity and kindness, recognizing the inherent worth of every individual. By promoting a culture of respect, we create a safe and supportive learning environment where students can thrive. In recent years, we have implemented character education programs and conflict resolution training to instill values of respect, empathy, and responsibility in our students. This culture of respect empowers students to embrace their individuality and pursue their passions with confidence.

Just last week, I had the privilege of speaking with a student who had been deeply inspired by our CARLOW Center for Medical Innovation. They shared their excitement about a new project they were working on, a device designed to improve the lives of patients with a specific medical condition. This student's passion and dedication are a testament to the transformative power of our Lasallian education.

As we move forward, we are committed to the execution of our five-year strategic plan, which will further enhance our academic programs, strengthen our community, and deepen our commitment to Lasallian values. By focusing on innovation, collaboration, and student-centered learning, we will continue to inspire our students to reach their full potential.

Let us embrace these principles with renewed vigor and commitment. Together, we can build a brighter future for ourselves and for generations to come. Let us inspire our students to dream big, work hard, and make a positive impact on the world.

Sincerely,

PERRY K. MARTIN, M.Ed.  
SCHOOL PRESIDENT

# ‘LIFE CHANGING’

## San Miguel Scholarship makes a lasting impact

By Carolyn Neuhausen, '08

When recent graduates are asked how they feel about earning a place at La Salle via the need-based San Miguel Scholarship, this is what they say:

“I think it (the San Miguel Scholarship) kind of meant everything. It kind of changed my life a lot because I was looking at completely different high schools in completely different areas, and it would have been a lot harder for me to do well at those high schools because they simply just didn't have the same resources as La Salle,” - Carlos Nuevo, Class of 2022, now an Electrical Engineering major at Northwestern University.

“It really meant a lot to me when I was a San Miguel scholar because college is not easy at all. The [Scholarship] and [La Salle] opened so many pathways to me. It helped me financially, it helped me educationally, it honestly got me ahead of the game than other people. It gave me an education that others were not able to have,” - Renee Pelongco, class of 2023, now a nursing major at Mount St. Mary's College in Los Angeles.

Every year La Salle welcomes an incoming freshman class composed of a unique and diverse body of students, some of whom have received the need-based San Miguel Scholarship. Unlike most need-based

### CARLOS NUEVO

scholarship programs which often cover just uniforms or tuition, the San Miguel Scholarship sets itself apart with its comprehensive approach to providing a holistic education – the scholarship covers all aspects of schooling for deserving students. That means uniforms, textbooks, technology like iPads and calculators, sports team fees, milestone events like study abroad and Prom are provided as part of the scholarship. Providing for all aspects of the La Salle College Preparatory experience allows students to grow into their full physical, mental, emotional, social and spiritual potential, without the worries of a financial burden.

### THE VALUE OF THE SAN MIGUEL SCHOLARSHIP

But how does the Scholarship impact students and why does it matter? Because the San Miguel Scholarship provides deserving students in need with a pathway to a high quality education that opens doors for them at the most critical time in their lives. Because the best point of leverage to change someone's life trajectory can be in high school, rather than earlier or later in life.

"I think it's so much more important to have that financial aid support in high school because that's what prepares you for college. I know people that have gotten the QuestBridge scholarship [a college scholarship Carlos also earned] and because they came from underserved high schools, then they end up struggling in college," Carlos explains. But Carlos transitioned from an underserved middle school, and because he received an excellent education in high school at La Salle, he's observed that he's better equipped to handle the rigor of college than some of his peers. "If you think about the value of a donation, it carries the most value in high school," he states.

And because the importance of a higher education has been well studied, the San Miguel scholarship, which offers a pathway to a college preparatory education, is the gift that keeps on giving, where every dollar that funds the scholarship program has a compounding downstream impact in each scholar's lives.

## RENEE PELONGCO

According to a study by the Public Policy Institute of California, as of 2021, a worker with a bachelor's degree earned on average 62% more over the course of their life than a peer whose highest level of education is high school.

This matters, because when people earn more, they are more apt to pave a new path for themselves, their families, and their communities.

But the Scholarship is so much more than access to an excellent education. It gives underserved students access to programs that ignite their passion in service, travel, linguistics, and making connections with people who don't sound or look like them. All of these experiences enrich their lives and forge experiences that prepare them for what it's like to work and contribute to a society with a sense of service, purpose and respect for all others - key pillars of the faith teachings at La Salle.

## LAUNCHING PASSIONATE STUDENTS

Nathan Rivas, who graduated La Salle in 2023, was a deserving student so dedicated to his La Salle education that he awoke at 5:30 am daily just to make the long public transportation trek from his home in northeast Los Angeles to east Pasadena.

But those early mornings were worth it because Nathan found a love for linguistics, a passion encouraged by former English teacher Mr. Daryl Oliver '11. Nathan's passion for linguistics spills out of him when he speaks, as he bounces from fact to fact about how history, culture and language intersect.

Now, he's at the University of Riverside, studying linguistics, in part to his hard work and the chance the San Miguel Scholarship gave him to attend a college preparatory education.

## NATHAN RIVAS

## **LA SALLE'S MISSION: CULTIVATE THE WHOLE PERSON**

Renee, who speaks softly, cherishes the many ways she was involved in student life and extracurriculars. In addition to joining clubs and the National Honor Society, she became Assistant Commissioner of Spiritual Life where she'd help out with student prayer services and Mass. "So [being involved at La Salle] also taught me leadership. It also helped me land in my work-study job because I had so much experience in the liturgy world," she says. Her experience working in Campus Ministry also helped her gain confidence and communication skills, she adds, something she'll need in her nursing career.

A large part of being a nurse, Renee says, is treating all people with care, no matter what they look like. "I think one of [La Salle's pillars] that really stuck out to me Freshman year was 'inclusive community,' but also at the same time, 'concern for the poor and social justice,'" she explains. "Because nursing in the long run, we're going to take care of everyone. You have to be really inclusive. We need to treat people equally," she adds.

Nathan was also deeply impacted by this pillar of La Salle's teaching, and he also saw it in action. "The first thing I noticed is that [La Salle] seemed very diverse, much more diverse than my old middle school, where there was one specific set of people. At La Salle, I found myself very quickly learning to socially adapt within the first two months. I was in a completely new community where people were already very friendly with me from day one."

That inclusivity, Nathan says, gave him the social confidence and optimism to make friends and be comfortable in being himself. That social acuity has taken him far in college. "Over here at UC Riverside, I was able to make friends relatively fast. I was able to talk to a lot of people," he adds. That gregariousness and confidence in social matters has led Nathan to become a resident advisor in his dorm hall as he continues to work on his linguistics degree.

## **A CURRICULUM FOCUSED ON MAKING EFFICIENT, HIGH IMPACT**

Carlos attends Northwestern University on a track to complete a Bachelors of Science and a Masters of Science in Electrical Engineering with a Minor in Data Science.

When he thinks back to why he feels grateful he chose to attend La Salle, it was because the high school edged out the competition with the kinds of coursework he could take. "It gave me a better education. If I had taken the other [scholarship] offers at the other high schools, I simply wouldn't have been prepared [for college], and I probably wouldn't have been prepared enough to score as well as I did on those AP exams, either," he said.

Ordinarily, the combined BS and MS program at Northwestern takes five years to complete, but because so many of Carlos' science AP courses transferred seamlessly to Northwestern, he's due to graduate in four years, shaving off one complete year of his studies; that's the power of the San Miguel Scholarship and an education at La Salle.

"Oh, my gosh! Most of the science courses that I took at La Salle set me up for college" says Renee, when she names the advanced placement courses she took in biology, and chemistry and medical terminology and anatomy coursework out of what would become La Salle's CARLOW Center for Medical Innovation.

## **A LIFE OF SERVICE AND PURPOSE**

For these three scholars, the San Miguel Scholarship has propelled them to go far and learn in fields where they can give back. Renee's not sure where she'll end up in nursing, but knows that caring for others at the bedside is where she's meant to be. Nathan's pursuing his passion in linguistics and beams at the opportunity to study abroad in Japan, which he aims to do in the summer of 2025. And for Carlos, his dream job is applying his engineering know-how at JPL, working in the San Gabriel community, in the same aerospace field as his grandfather.

The impact of the San Miguel Scholarship program is hugely evident as La Salle students take their journey through high school into higher education and future career fields.

# GIFTS FROM THE HEART♥

**La Salle College Preparatory's annual Gifts From the Heart fundraiser was a resounding success, raising a record-breaking \$133,692 for the San Miguel Scholarship Program!** This incredible achievement surpasses all previous years and will have a significant impact on deserving students.

This heartwarming event, hosted by **Dr. Dino '75** and **Hope Clarizio P'06**, featured delicious food catered by Lucille's BBQ, refreshing drinks, and exciting raffle prizes. The evening was further enhanced by the presence of special guests, including Hall of Fame running back Eric Dickerson, Super Bowl champion and gold medalist Willie Gault, and former Rams punter Mike Lansford.

**The true highlight, however, came as a surprise!** A generous donor pledged a staggering \$100,000 to the San Miguel Scholarship program during the event. Combined with the contributions of the other 62 attendees, this incredible act

of philanthropy pushed the fundraising total to a record-breaking level.

The San Miguel Scholarship Program plays a vital role at La Salle, ensuring that academically qualified students from families at or below the federal poverty level can receive a full tuition and fees scholarship. By supporting this program, we open doors of opportunity for deserving students and empower them to pursue their academic dreams.

**Mark your calendars!** The next Gifts From the Heart fundraiser will be held on Saturday, February 22nd, 2025. To ensure you receive an invitation, please contact Evan Saito at [esaito@lasallehs.org](mailto:esaito@lasallehs.org).

**Together, we can continue to make a difference in the lives of deserving students!**

# 2023-2024 ANNUAL IMPACT REPORT

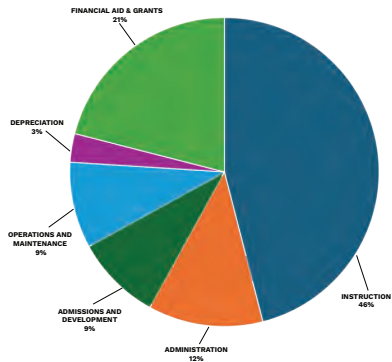

We are excited to have this opportunity to share our 2023-2024 Annual Impact Report with you within the Lancer Magazine, which covers gifts made between July 1, 2023, and June 30, 2024. Please note that gifts made between July 1, 2024, and June 30, 2025, will be shared in our Fall 2025 issue of Lancer Magazine.

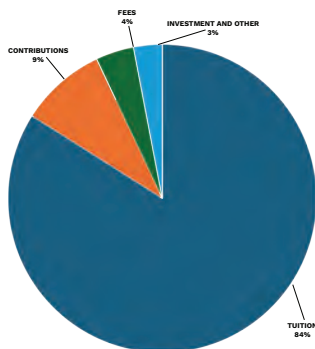

This report is a testament to the love, passion, and commitment exemplified by our La Salle community. Each gift makes an undeniable impact on each student, faculty, and staff member, and we cannot express how grateful we are for you and your continued support of La Salle. The future of La Salle College Preparatory is bright and vibrant and we look forward to even more opportunities for growth and innovation across all areas of our school!

## SAINT BENILDE SOCIETY

La Salle recognizes those donors who have restricted their contributions of \$1,000.00+ to the School's Endowment Funds or included La Salle in their estate planning through one of a number of Planned Giving instruments, including gift annuities, life insurance, charitable remainder trusts, lead trusts and bequests. These donors are honored as members of the Saint Benilde Society. Similar to the visionary actions of Brother Celestine, the founding principal of La Salle High School, the support of these individuals will help secure the perpetuity of the Mission and Philosophy of La Salle College Preparatory for generations.

## HONOR ROLL OF DONORS

Each year La Salle High School recognizes the generosity of individuals and organizations whose tax-deductible cash contributions and new pledges during the year total \$1,000 or more. These donors play a critical role in strengthening the current programs for our students and helping La Salle plan for the future. Founded in 1989, there were 11 individuals, couples, and organizations as members in its initial year. For 2023-2024, 401 individuals, couples, and organizations comprise the membership of its most prestigious order of donors.

## ALUMNI GIVING

La Salle High School would like to give special recognition and thanks to all the alumni donors who supported the School community throughout the 2023-2024 fiscal year. All donations benefited the numerous programs for our students, faculty, staff, and coaches. Because of these individuals, total alumni tax-deductible giving exceeded \$457,263.

# La Salle is Full STEAM Ahead with Strategic Plan

Over the last three years, La Salle's been guided by its Five Year Strategic Plan, which has provided a holistic path to enhance its programs for students, facilities on campus, and tactics to attract and retain top-tier faculty.

## **What is the Strategic Update?**

The main goal of the Strategic Update is to ensure that La Salle is a school of choice in the San Gabriel Valley, and one that leads students to desirable and competitive careers in the future.

## **What improvements and advances have been made?**

Since the 2021 school year, La Salle has made investments in core educational and vocational areas, building Centers of Innovation: the CARLOW Center for Medical Innovation, The Center for Cultural Perspectives, the Center for Cinematic Arts, and the Center for Linguistic Exploration.

These centers are "designed to foster hands-on learning and creative exploration, positioning students for college and career success. The goal is to deliver the highest quality education by adapting to an ever-evolving world," says La Salle school president, Perry Martin.

Each Center focuses on a different discipline, and sometimes the learning opportunities overlap, allowing

students new and exciting interdisciplinary study opportunities. It's possible for students to create robotics in the brand new Center for Discovery and Design that might help out a peer's biomedical project in the CARLOW Center for Medical Innovation, like a prosthesis limb or hand, for example.

## **Breaking Ground on the newest Center of Innovation: Center for Discovery and Design**

Israel Barrera, Director of the Center for Discovery and Design, started work on it in May of this year and officially opened it to students during the current fall semester. Students interested in engineering, technology, robotics, and related fields can join the Center for more extracurricular learning in these fields.

And although it is a nascent Center of Innovation, Barrera has big plans for the next 1-3 years.

"We aim to expand our after-school programs, with the next step being the launch of an aerospace team. I also plan to introduce a certification pathway that consists of 3-4 courses (we currently offer two) to demonstrate students' foundational skills and knowledge in engineering," Barrera said.

The Full STEAM Ahead campaign launched with a goal

to raise \$500,000 to support the growth of the science, technology, engineering, art, and math (STEAM) fields at La Salle. The campaign was a success, bringing in the full amount, with one gift of \$250,000 from the Ahmanson Foundation and the other \$250,000 raised by La Salle's Board of Regents.

These gifts were directly allocated to renovating a 4,000 square foot space into the state-of-the-art Discovery and Design Lab, where students have access to curriculum and tools for hands-on learning in robotics, fluid mechanics, aerospace engineering and flight training.

But why a focus on the STEAM disciplines? Because they're growing at a rapid rate, often offer steadier employment, and usually much higher salaries than other professional fields.

According to the National Science Foundation, "workers in STEM occupations experience lower rates of unemployment and higher salaries than those in non-STEM occupations, and many STEM fields are expected to grow." And the U.S. Bureau of Labor Statistics states that the average wage for a STEM occupation in the U.S. in 2023 was just over \$100k, where the median salary for an American in a non-STEM occupation was just over \$46k.

For President Martin, investing in the various Centers of Innovation is a way to modernize La Salle's offerings for families seeking a high quality education.

"The initiatives foster a dynamic and passionate learning environment, encouraging students to explore high-interest fields, pushing their academic boundaries, and engaging in hands-on research. Parents and students alike will see increased value in their education as La Salle positions itself as a leader in the modern STEAM-focused world," Martin said.

### **How do the Centers of Innovation support La Salle's ongoing mission to serve students?**

The Centers of Innovation give students more ways to learn and express their passions. The enhanced layer of study at the Centers of Innovation can open doors to internships, and provide a leg-up on preparing students for what they'd like to pursue in college and beyond.

"These efforts are not just upgrades but vital steps toward securing La Salle's place as a leader in 21st-century education. Every strategic move is deeply rooted in the goal of offering transformative learning experiences that shape well-rounded individuals ready for future academic and career success," Martin added.

# Wine and Dine a Resounding Success

La Salle College Preparatory is thrilled to announce the successful conclusion of its 2nd Annual Wine and Dine event. Hosted by esteemed La Salle parents and Board of Regents members, **Kimberly** and **John Luck P'26**, the event took place on Friday, March 15, 2024, at the elegant Altadena Town and Country Club.

The evening was a culinary and social affair, featuring a delectable four-course surf and turf dinner paired with exquisite Santa Barbara County wines. Attendees enjoyed an array of raffle prizes, including seven different wine selections from Foxen Winery. The highlight of the evening was the live auction, where a magnum bottle of Lando Russian River Valley Pinot Noir, along with other coveted items, was sold for \$1,000 to **Craig Sloane P'09, '11**.

A total of 78 guests attended the event, contributing to the impressive fundraising total of \$13,295. All proceeds from ticket sales, raffle tickets, and the live auction will be directly donated to the school's capital project, Full STEAM Ahead.

The event was further graced by the presence of two special guests from Spain: Carlos Pomar, Principal of La Salle Gran Via, and Igor Rendon, Exchange Coordinator/English Instructor of La Salle Montemolin.

La Salle College Preparatory extends its sincere gratitude to Kimberly and John Luck, the event committee, the generous sponsors, and all attendees for their invaluable support. Their commitment to the school's mission and vision has made this event a resounding success.

# ALUMNI ASSOCIATION SCHOLARS

*Members of the 2023-2024 Alumni Association Executive Board (l-r top row): Paul Lees '75, Erik Kachmarsky '96, P'24,'25, Kyle Brumm '12, Tyler Schultz '02, Chris Rettig '84, P'19,'25. Front Row, l to r: Luke Roa '24 Alumni Heritage Scholar (a 4 year scholarship awarded as an incoming freshman), and Ellen Choi '24, Alumni College Scholar. All Alumni Scholarships are funded by the Alumni Association's biennial Taste of La Salle which is set to return to campus on Saturday, April 5, 2025. The recipients are selected each year by the members of the Alumni Board.*

## MAJOR BEN MEIER '00 USAF Memorial Scholarship

**Luke Sedlacek '24** was presented with this first-time \$5,000 scholarship at Senior Presentation in May. This scholarship is made possible by the Meier Family for a graduating senior who is attending a military academy, like Ben did.

Major Benjamin D. Meier was in the United States Air Force and was a La Salle graduate from the Class of 2000. Ben's career as an Air Force fighter pilot had him deployed to Iraq, Libya, and twice to Afghanistan.

Among other commendations, Major Meier was awarded the Air Medal seven times, the Aerial Achievement Medal, the Air Force Commendation Medal twice, and the Air Force Combat Action Medal. In one specific mission in Afghanistan, where he saved over 50 ground troops and protected innocent civilians with his tactical patience and aerial skills, Ben was the U.S. Air Forces in Europe nominee for the Exceptional Pilot Award, at which time he was considered in the top 10 of approximately 12,000 Air Force pilots.

Major Benjamin Meier passed away on September 29, 2015 in Lancaster, CA. He was struck by a hit-and-run driver while on his morning run. Ben is survived by his mother Ann who is pictured with Luke at Senior Presentation, his wife

Becky, their sons Logan and Gabriel, his two sisters, and their families. The family established the Major Benjamin D. Meier Memorial Scholarship to keep Ben's memory alive and to honor students like Luke who are committing themselves to a life of service by attending a military academy.

This \$5,000 scholarship will be awarded to Luke upon his successful completion of basic cadet training at the United States Air Force Academy. Many thanks to the Meier Family for continuing Ben's legacy of service to others and for allowing La Salle to keep his memory alive at his Alma Mater through this scholarship.

## Dash Award in Memory of ARION TAVAKOLI '09

The Dash Award is a scholarship that was instated in 2016 in honor of **Arion Tavakoli '09**, who passed away in 2014. This scholarship honors a graduating senior who lives each day with a passion for making a difference and has a love and appreciation of life, the same values that Arion showed during his short time on this earth. This \$1,500 award is made possible by private donations from Arion's friends and family who desire to keep Arion's memory alive at La Salle. This year's recipient of the Dash Award, nominated by La Salle's faculty and staff and then chosen by the Tavakoli Family, is Fernanda Martinez '24.

# LS YEAR IN REVIEW 2023-2024

## HOMECOMING WEEK 2023

Homecoming Week rocked La Salle with its LancerPalooza theme, a music festival-inspired celebration that brought out the inner rockstar in everyone! Students enjoyed a week filled with lively events, themed dress-up days, and fun lunchtime activities, ending with our homecoming game and dance.

## OPEN HOUSE 2023

Thank you to everyone who attended our 2023 Admissions Open House! With the dedicated support of our amazing staff, faculty, students, and volunteers, we opened our doors to over 1,000 visitors eager to unlock the opportunities at La Salle.

## SNOWBALL 2023

Our Lancers danced the night away at the annual Snowball dance held in the Chandelier Room at the Santa Anita Racetrack.

## CATHOLIC SCHOOLS WEEK

Catholic Schools Week celebrates faith and academic excellence in Catholic education, extending beyond classroom learning. It's a special time dedicated to giving back, with students actively engaging in service projects that reach out into the community. The week was filled with exciting activities, themed dress-up days, and meaningful service projects. Each grade participated in community service, demonstrating our commitment to service and honoring our faith and dedication to excellence.

## LUNAR NEW YEAR FESTIVAL

Our La Salle community welcomed the Year of the Dragon at our Lunar New Year festival. A vibrant tapestry of cultural performances, interactive booths, and diverse activities filled the evening with joy, tradition, and a strong sense of community.

## CLASS OF 2028 REGISTRATION DAY

It was an exciting day as we welcomed our future Lancers during Registration Day. A highlight was meeting enthusiastic students and parents ready for the 2024-2025 school year. We can't wait to see the unique talents and energy the Class of 2028 will bring to our community.

## SENIOR VS FACULTY BASKETBALL GAME

This year's Senior vs. Faculty Basketball Game was a game to remember, with the senior class securing a well-deserved win and ending the faculty's winning streak! Congratulations to the senior class for their triumphant win and to all participants for making the game a highlight of the school year. Thanks to the unwavering support from our community, the event was a success in both spirit and charity, with all funds raised going to Riley's Race for Change.

## LANCERS IN FRANCE

Over Easter Break, our Lancers embarked on an enriching intercultural exchange trip to France. They visited Lasallian partner schools and immersed themselves in the vibrant French culture and traditions. Their journey culminated in Paris, where they soaked in the city's magic and visited iconic landmarks like the Eiffel Tower.

The exploration extended to historic sites, including the Hôtel de Ville, the central venue for the Paris 2024 Olympic

Games, and the Notre Dame Cathedral at Parvis Notre Dame – Place Jean-Paul II.

On the Feast Day of Saint John Baptist de La Salle, our students visited the founder's historic home, guided by Madame Elisabeth and accompanied by devoted Brothers. They engaged in meaningful discussions and marveled at the Cathedral of Reims, highlighting his early priesthood and connecting deeply with his legacy.

## RILEY'S RACE FOR CHANGE

Thanks to everyone's generous donations and the fantastic success of our two main fundraising events, Pi Day and the Senior vs. Faculty Basketball game, we've collectively raised \$12,800 for our twinning school in Naka, Nigeria! A big round of applause for the Class of 2024 for raising the most money and securing their first point for Showdown! Every penny raised will make a tangible difference at Mount La Salle in Naka, Nigeria!

## BOYS TENNIS CIF-SS CHAMPIONS

Congratulations to our Boys Tennis team for winning the 2024 CIF-SS Division 5 Championships!

# CRYSTAL BALL

Decked out in “Derby” style, our 25th Annual Crystal Ball gala at the Langham Pasadena brought the community together for an evening filled with live and silent auctions and a delightful dinner, all supporting the pivotal programs at La Salle.

This year, we honored Ms. Angelica Salas, a cherished member of our Board of Regents and a tireless advocate for human rights. As the Executive Director of the Coalition for Humane Immigrant Rights and a prominent community

leader, Ms. Salas embodies the spirit of service and dedication that La Salle champions. Her journey from immigrant to impactful leader exemplifies the profound effect of solidarity and compassion towards those in need.

Thank you to everyone who came out to support and celebrate with us, making the evening a huge success. Your generosity fuels our mission and helps continue the tradition of empowering our students to achieve their full potential.

## SHOWDOWN

After a spirited night of wacky relays, hungry hippos, and balloon popping, our students had a blast competing at our annual Showdown event! In the end, purple reigned supreme as the Class of 2024 brought home the coveted Showdown trophy!

## COLORS OF COURAGE WALL

Over the Memorial Weekend, we proudly unveiled the Colors of Courage Wall. This significant monument honors 360 alumni who have served or are currently serving in the Armed Forces. It commemorates their unselfish service, loyalty, sacrifice, and bravery. Each name is beautifully engraved within the stars and stripes of our flag, serving as a permanent tribute to their courage and our gratitude. Thank you to everyone who joined us in honoring these heroes and preserving their legacies.

## ALUMNI BASEBALL GAME

The Alumni Baseball Game on Saturday, January 6th at Arcadia County Park brought out 26 alumni from 1987-2023 who enjoyed taking on the current varsity team. Former baseball coaches **Brian Miller '79** and Harry Agajianian were also in attendance, along with former Principal Pat Bonacci, and enjoyed seeing their former players and students.

## ALUMNI SOCCER GAME

27 Alumni from the Classes of 1975-2023 came back to La Salle on Saturday, December 23rd to play in the annual Alumni Soccer Game on Kohorst Field. The alumni "let" the current team win 3-2. It was a great day out on the pitch for everyone!

## GIRLS BASKETBALL ALUMNAE NIGHT

Former Lancer Basketball Alumnae were invited back to campus to watch the current Varsity Lady Lancers take on South Pasadena High School on Saturday, January 27th. **Judah Lacy '13** kicked off the evening with the National Anthem. Alumnae from 1995-2023 were in attendance and were invited to join the current team on the floor after their win for the singing of the Alma Mater. Former Coach Kevin Cormier and former athletic trainer Sheldon Williams were also in attendance.

## LLAN CAREER PANEL

The Lancer Lawyer Alumni Network hosted a career panel for Intro to Law students and members of La Salle's Mock Trial team on March 6th. Thank you to Nabil Bisharat '02 for serving as the panel moderator and to **Jeff Maldonado '73**, **Jack Ross '02** and **Jasmine Horton '03** for serving as panelists. Thanks also to LLAN Advisory Member Nick Sonnenburg '12 and La Salle's Mock Trial Coach **Rebekah Schaller '97** for being present and making this event possible.

## LEGACY RECEPTION

## 2024 ALUMNI MONTH OF SERVICE SUCCESS!

Alumni Month of Service is a unique opportunity to unite La Salle grads through community service. With over 7,000 alumni living in nearly every state, the potential to have a positive and meaningful impact in the community is enormous.

During the month of April, Alumni were encouraged to:

- **Volunteer!** Projects were organized in **Pasadena, the Bay Area, Orange County, San Diego** and **New York City**.
- Get involved in a service project in their own community
- Share their volunteer experience and pictures with the La Salle community for a chance to win alumni swag!

By volunteering, alums embody the mission of La Salle College Preparatory and salute their Alma Mater's commitment to service to others.

## ALUMNI SERVICE AWARD

La Salle honored **Brendan Gripp '08** with the Alumni Service Award for embodying the Lasallian Mission of “Enter to Learn, Leave to Serve” during the Founders Day Mass in May in front of the student body. # THE LANCER CHALLENGE

La Salle ended fiscal year 2023 with an alumni giving participation rate of **9.65%**. We are most grateful for the 714 alumni donors who donated to their alma mater! Our goal this fiscal year was to reach 10% by June 30, 2024, and to see which graduating class comes out on top in the Lancer Challenge.

## WHAT IS THE LANCER CHALLENGE?

A giving competition that challenges each class to increase the number of donors who contribute to La Salle over the fiscal year (July 1, 2023–June 30, 2024).

## HOW DOES IT WORK?

Every gift matters. No gift is too small to count for your class. The competition is based on the number of alums from each class who give, not the dollar amount.

\*All tax-deductible gifts made to La Salle will impact your class participation score.

## HOW DO YOU MAKE A GIFT?

There are several ways to make a gift and boost your class' standing:

1. Give online at [www.lasallehs.org/annualfund](http://www.lasallehs.org/annualfund).
2. Mail your gift. Checks made payable to "La Salle College Prep".
3. Call **626.696.4362** to make your gift over the phone.

## IS THERE A PRIZE?

The Class with the highest number of donors at fiscal year-end (June 30th) will receive:

- Placement on the Lancer Challenge Championship Banner in the Gym
- Recognition in *Lancer Magazine*
- Bragging rights (and they are priceless!)

Class standings are updated regularly online at [www.lasallehs.org/challenge](http://www.lasallehs.org/challenge)

## CONGRATULATIONS

## San Miguel Scholarship

In early 2000, all Christian Brother schools across the country were asked to start a San Miguel Scholarship Program, providing full-tuition scholarships for students whose family income put them at or below the federal poverty line. In doing so, Christian Brother schools would further embody the mission of their founder, St. John Baptist de la Salle, who was committed to making education accessible for all, especially the poor. Thanks to donors' support, La Salle College Preparatory fully embraced this charge and enrolled the first freshman cohort of San Miguel Scholars in the fall of 2000. Fast forward twenty-four years, and next spring's Commencement Exercises will mark the 20th graduating class of San Miguel Scholars from La Salle.

We can only keep the San Miguel Scholarship program growing and thriving with your support. Your donation to the San Miguel Scholarship Fund will ensure that money is available now and in the future for students most in need and will ensure the program's viability.

Gifts to the Pat Bonacci, AFSC Endowed Scholarship Fund, the Annie Johnston Memorial Endowed Scholarship Fund, and the Dr. Richard Gray Memorial Endowed Scholarship Fund all support San Miguel Scholars. So whether you direct your gift to a named San Miguel Scholarship or the fund, in general, you are making an impact.

**To make a gift and learn more information, we invite you to visit [lasallehs.org/sanmiguel](https://www.lasallehs.org/sanmiguel).**
