That means students' essays need to be as perfect as they can make them. We will go over what role essays play in admissions, why essays make an application stand out, and how students can make their essays (almost) perfect.

Session 2: How to Prioritize and Organize Your Time

- Open to 9th-12th grade parents
- Atrium
- Ms. Evans will share tips and resources to help your students prioritize important school work while managing a busy schedule. In this session, we will discuss how parents can help support their child in managing their time.

Session 3: College Readiness with Guest Speaker, Mr. Hull

- Open to 9th-12th grade parents
- Theater
- Join Mr. Hull, an Admission Counselor from Calvin University, as he shares valuable insights on college readiness and helps parents understand how to support their students in preparing for college.

Webinar: What You Need to Know Now About Paying Less for College for Parents of 9th to 11th Grade on Oct 22 at 7 pm

Don't make the mistake of assuming you won't qualify. Learn about leveraging your resources to reduce college costs.

Families who educate themselves and plan a few years ahead get more aid and take on less debt!

La Salle Welcomes Students and Teachers from Shanghai

Over the past week, we welcomed our first group of visiting students and teachers from Shanghai Soong Ching Ling School as part of the Center for Cultural Perspectives.

Throughout their week-long stay, our guests attended classes, experienced student life, and participated in Homecoming celebrations. Through shared experiences, both our La Salle students and visitors deepened their appreciation for culture, community, and global citizenship.

At La Salle, we believe every exchange enriches our campus by fostering empathy, curiosity, and respect across cultures.

Recognizing Students' Achievements within the National Hispanic Institute

This past summer, 22 of our Lancers took part in five leadership programs across the country with the National Hispanic Institute (NHI), an organization dedicated to empowering young leaders to shape their futures through community engagement, debate, and collaboration.

At the California Sol Great Debate, Dante Cassina '28 won the NHI Grand Debate Championship, Logan Fisher '28 (Athenaeum POD) earned 2nd place, and Florence Charlotte Duffy-Waldie '28 received the Transformation Award from her head coach.

La Cascade Grand Opening

This week, we celebrated the grand opening of La Cascade, our new campus waterfall designed as a sanctuary of peace, reflection, and renewal for students, faculty, and staff.

More than a landmark, La Cascade is a trauma-informed space that helps reduce stress, restore balance, and strengthen resilience. Featuring five symbolic pools, peaceful gardens, and walkways, it embodies our Lasallian Core Principles and reminds us daily of the grace of God, the power of community, and the importance of rest and reflection in education.

We are deeply grateful to everyone who helped bring this vision to life.
