Lancer Drama Presents TRAP by Stephen Gregg

MENACHAP, CALIFORNIA. An incomprehensible event: every person in the audience of a high school play falls unconscious—every person but one. Using interviews with witnesses, loved ones, first responders, and the investigators pursuing the case, a theatre ensemble brings the story of the strange event to life, documentary-style. But as the strands weave together into an increasingly dangerous web, it becomes clear that this phenomenon might not be entirely in the past.

Private School Village (PSV)

La Salle is proud to support Private School Village (PSV), a parent-led nonprofit dedicated to advancing belonging and community for Black and Brown families in independent schools. Research shows that when students feel connected, they thrive academically and socially. PSV helps make that possible by centering inclusion, representation, and mental health while fostering partnerships among families and schools. We encourage La Salle families to get involved by [signing up for upcoming PSV events](#) and [joining the PSV run-parent chat group](#) to stay connected!

Center for Cultural Perspectives

As you may know, we will welcome our visiting group from Colegio La Salle Buenos Aires in February of 2026. Recently, the school reached out again with a special request because a few more of their students, who were originally scheduled to visit a different U.S. school, are now left without a program because that hosting school canceled unexpectedly.

Their visit would take place from February 7 to February 21, 2026. If your family is available during these dates and open to hosting one of these girls ([roster](#)), please let me know. Your kindness and hospitality would truly make a difference for them.

Thank you, as always, for your generosity and support. It is because of families like yours that these exchanges continue to create lifelong memories for our students, our guests, and our community.

The game showcased outstanding sportsmanship, teamwork, and cultural exchange as both teams competed with heart and enthusiasm. From the opening tip, the Lancers brought energy on both ends of the floor, pushing the pace and setting the tone with disciplined defense. Taipei First Girls responded with sharp ball movement and impressive shooting, demonstrating their strong fundamentals and team chemistry. While the scoreboard took a backseat, the experience stood out as a highlight of the season — a reminder that basketball is a universal language that builds bridges across cultures.

All Saint's Day Mass

Our La Salle community gathered to celebrate All Saints' Day with a reflective liturgy, honoring the lives and virtues of the saints. This year's message reminded us that holiness is not about perfection, but about perseverance, to rise each time we fall, to show compassion toward others, and to stand for justice and love in our daily lives.

As we continue to grow in faith, unity, and love, may we carry forward the spirit of the saints by extending grace, forgiveness, and hope to those around us.
