## **Private School Village (PSV)**

La Salle is proud to support Private School Village (PSV), a parent-led nonprofit dedicated to advancing belonging and community for Black and Brown families in independent schools. Research shows that when students feel connected, they thrive academically and socially. PSV helps make that

possible by centering inclusion, representation, and mental health while fostering partnerships among families and schools. We encourage La Salle families to get involved by [signing up for upcoming PSV events](#) and [joining the PSV run-parent chat group](#) to stay connected!

**GIRLS GOLF: UNDEFEATED LEAGUE CHAMPIONS / CIF CHAMPIONS**

- [CIF CHAMPIONS!! \(click\)](#)

We did it! The La Salle Lancer Golf Team completed a magical season today as they won the CIF Division 4 Championships at Green River Golf Course in Corona. The Lancers saved some of their best golf for the finals. Sophomore Sarah Tutundjian led the way shooting a 9 over par 82, while junior Amber Li shot an 85, and senior Samantha Hu shot an 87. Seniors Karolina Azula and Angela Zhou each posted 92s. Sophomore Emma Bardakjian shot a 109. The 5 top scores combined for a total of 438. The two teams tying for second (Fullerton and Valley Christian) shot 474. The Lancers cleared the field by 36 strokes.

I preached all season that if they played like they could we had a chance to win. I kept telling and showing them last year's winning CIF Division 4 Final score saying we could beat that score (441) and if we did we should win. We most certainly did. Last year, we shot a 461, and we improved that score by 23 strokes. I could not be happier for the team. Props to senior, Reese Names, who played several of the matches this year to help the Lancers

**GIRLS TENNIS: (9-6) ; league 6-4)**

- **Cif Round**
  - 11/5: La Salle 8 - Segerstrom 10

- **La Salle Girls' Tennis Caps Playoff Run with Quarterfinal Finish**
- The La Salle girls' tennis team's season came to an end Monday afternoon after a hard-fought 8–10 loss to Segerstrom in the CIF Southern Section quarterfinals. The defeat capped an impressive postseason run that saw the Lancers battle through adversity, win two tough playoff matches, and reassert their reputation as one of the most resilient programs in the area. Just two days earlier, La Salle earned a thrilling **10–8 win over Norwalk** in the second round—a match that showcased the team's composure and competitive edge. Our singles played amazing and won us that match. Both Zoey and Sima won all of their sets, which meant we only needed four sets from doubles—and we got just that. But the doubles line up was tough. We were fortunate enough to win two tiebreak sets. That ended up winning us the match. The win over Norwalk advanced La Salle to the quarterfinals against Segerstrom, where the Lancers once again played short-handed but full of heart. The Lancers got behind early which made rounds 2 and 3 tougher than they should have been. In the end, my team played hard all the way through, and that's all I can ask for, said Coach Javier after the match.
- Despite the loss, the 2025 season was a testament to the Lancers' culture and character. "What I'm most proud of is how well everyone connected, bonded, and truly put their teammates' needs before their

own,” Coach Javier reflected. “As a coach, I care more about raising caring players—ones who will make a difference in this world—and I feel like I accomplished that the most this season. ”

- Looking ahead, the future is bright for La Salle tennis. With **seven of eight players returning next season**, the Lancers are poised to make another deep run. Through every challenge—short rosters, lineup changes, and long playoff drives—the 2025 La Salle girls’ tennis team proved that their foundation of teamwork, perseverance, and heart can withstand anything. And with nearly the entire roster returning, the Lancers are already building toward something even greater.
- **La Salle finishes the 2025 season with a 6–4 record and a CIF Quarterfinal appearance.**

### **CROSS COUNTRY:**

Moving into November, we are now transitioning from limited sessions to full daily practices. We have had focused team meetings and have established the program's standards and team goals. Jerseys have been handed out and spirit packs have been shipped to us. We're staying sharp with Monday Mindset sessions, strength and conditioning workouts, and the occasional college workshop check-in. With Media Day and our Overnight Retreat coming up (permission slips going out this week), we're locked in as we prep for our first scrimmages. Excited, focused, and determined... we're ready to compete!

## **Mock Trial Team**

Our Mock Trial team continues to raise the bar! After making school history last year with their first-ever semifinal appearance, our Lancers are back with another strong season, starting with a first-round win led by All-County MVP Violet Tran '12.

We're so proud of their hard work, dedication, and teamwork both inside and outside the courtroom. Let's cheer them on as they prepare for their next round. Go Lancers!

## **Veteran's Day**

In honor of Veterans Day, our La Salle community gathered on Monday for a special assembly hosted by the Wounded Warriors Club. We were honored to welcome Gold Star Parent Mary Tallouzi, who shared her powerful journey of service and resilience. After caring for her son Daniel following his combat injuries in Iraq, Mary found healing and purpose through her advocacy with the Wounded Warrior Project, supporting veterans and their families.

Her story reminded us of the courage and sacrifice of our nation's heroes and the families who stand beside them. We thank Mary and all who serve for inspiring us to lead with compassion, strength, and gratitude.

### **Junior Retreat**

Last week, our Junior Class stepped away from their daily routines and journeyed to Mount Kare in Wrightwood for their two-night, three-day retreat.

Centered on the theme “Who Do You Say That I Am?”, the retreat invited students to slow down, reflect, and explore their identity and their relationships with themselves, others, and God.

Together with classmates and teachers, they shared meaningful conversations, deepened connections, and discovered more about who they are and who they are becoming.

### **Fall Visual Art Show + Band and Strings Concert**

This Saturday, November 15th, we're celebrating the arts at La Salle! Start the afternoon at our Fall Visual Art Show from 3–5 PM in the Dining Hall, where you can enjoy free food, crafts, and artwork from over 100 emerging La Salle artists.

Then head to the Grinstead Theater at 5 PM for our Fall Band & Strings Concert and enjoy an evening of festive performances from our talented musicians.

Come support our student artists and musicians!
