Spring Dance Concert

What an incredible weekend on the Dining Hall Stage! The Spring Dance Concert, “Tomorrow Tomorrow & Tomorrow,” was a celebration of artistry, movement, and creativity unlike any other. From powerful solos to breathtaking ensemble pieces, our dancers moved across genres with heart, precision, and pure talent.

To our dancers, choreographers, and everyone behind the scenes, the passion and dedication you poured into this show truly showed. We are so proud of everything you brought to that stage.

Crystal Ball Recap

The Langham Huntington, Pasadena, set the scene for a Midnight in Paris-themed 27th Annual Crystal Ball. It was a beautiful night celebrating the spirit, generosity, and unity that define La Salle. From the excitement of the silent auction to the energy throughout the evening, Crystal Ball remains a powerful reminder of what makes our community so special.

We were proud to honor Heather and Jason Young P'14, '17, '21, '26, whose generosity, kindness and unwavering commitment have made a lasting impact on La Salle. Whether supporting events, uplifting others, or simply showing up for our students, they embody what it means to serve with heart and purpose. Their dedication to ensuring every student feels supported and welcomed reflects the very best of our Lasallian mission.

Thank you to everyone who attended, contributed, and supported this incredible evening. Your generosity continues to create opportunities for our students and strengthen the future of La Salle.

Prom Safety Assembly

As our Juniors and Seniors prepare for Prom tonight, yesterday's Safe Prom Assembly served as an important reminder that Prom should be a night filled with celebration, friendship, and unforgettable memories.

Thank you to Officer Santelices and Officer Heilbut from the California Highway Patrol for speaking with our students about making safe and responsible decisions and looking out for one another throughout the evening.

As we head into this special night, we encourage all of our Lancers to celebrate responsibly, stay safe, and make choices that reflect the care and respect we have for ourselves and our community.

Resources

Below, you'll find a few resources to help guide and prepare both parents and students throughout the school year.

Parent Service Hours

Thank you for checking out Track it Forward, the program that keeps track of all of our wonderful parent volunteer hours. With students participating in service-learning and other volunteer projects in our community, our Parent Association also provides service and volunteer opportunities for parents and families to get involved both on and off-campus. As a way to manage and coordinate the plethora of events, projects, and programs that require volunteers throughout the year, we utilize Track It Forward as a way to log hours, sign-up for events, and manage your volunteerism. [Click here to register.](#)

Student-Parent Handbook

[The La Salle College Preparatory Student-Parent Handbook \(the “Handbook”\)](#) is published and shared with members of our school community each year. The handbook provides important information regarding our governing policies, student code of conduct, and other guidelines for our entire school community. We ask that you please review this important resource and email dean@lasallehs.org if you have any questions.

La Salle’s Customization Value

The Customization Value Index (CVI) is La Salle College Preparatory’s data-driven measure of educational value. It compares the level of academic customization and innovation that students experience against the tuition that families invest. In simple terms, it answers the question every parent asks: “How much personalized, high-quality education does my child receive for every tuition dollar?” [Click here to learn more.](#)
