CARLOW Center for Medical Innovation Pre-Med Summer Camp

Future healthcare professionals got an early look at what it takes to work in the medical field! Through the CARLOW Center for Medical Innovation Pre-Med Summer Camp, students stepped into the world of medicine with hands-on experiences in prosthesis design, suturing, taking vital signs, intubation, dissections, patient scenarios, and more.

They also had the opportunity to earn their American Red Cross CPR/AED/First Aid certification, building practical skills while discovering the many possibilities a future in healthcare can offer.

Faculty Service Day

Before welcoming our Lancers back to campus, our faculty and staff came together for a day of service at the Los Angeles Regional Food Bank's Distribution Center, working side by side to pack around 2,500 food kits for individuals and families across the Los Angeles community.

Service is at the heart of who we are as Lasallians, and there's no better way to begin a new school year than by putting that mission into action together.

Thank you to our faculty and staff for giving their time, lending a hand, and continuing to lead our students by example.

Freshman Lock-In

And just like that, the Class of 2030 is getting started! ❤️

Freshman Lock-In brought our newest Lancers together for a day of games, laughs, new friendships, and plenty of opportunities to break the ice before the school year begins.

From meeting new classmates to creating some of their first La Salle memories, it was a chance for the Class of 2030 to get comfortable, have some fun, and start finding their place at La Salle.

Transfer Orientation & New Parent Orientation

Our newest transfer students had the chance to meet one another, connect with current Lancers, and get a feel for their new home as they prepare to begin their La Salle journey.

We also welcomed our new Lancer parents to campus, where they met fellow families, connected with our faculty and staff, and learned more about the La Salle experience.

To all of our new students and families, welcome to La Salle! We're excited to have you with us and can't wait for the year ahead.

Resources

Below, you'll find a few resources to help guide and prepare both parents and students throughout the school year.

Need to Find a Therapist? Care Solace Can Help!

Parent Service Hours

Thank you for checking out Track it Forward, the program that keeps track of all of our wonderful parent volunteer hours. With students participating in service-learning and other volunteer projects in our community, our Parent Association also provides service and volunteer opportunities for parents and families to get involved both on and off-campus. As a way to manage and coordinate the plethora of events, projects, and programs that require volunteers throughout the year, we utilize Track It Forward as a way to log hours, sign-up for events, and manage your volunteerism. [Click here to register.](#)

Student-Parent Handbook

[The La Salle College Preparatory Student-Parent Handbook \(the “Handbook”\)](#) is published and shared with members of our school community each year. The handbook provides important information regarding our governing policies, student code of conduct, and other guidelines for our entire school community. We ask that you please review this important resource and email dean@lasallehs.org if you have any questions.

La Salle’s Customization Value

The Customization Value Index (CVI) is La Salle College Preparatory’s data-driven measure of educational value. It compares the level of academic customization and innovation that students experience against the tuition that families invest. In simple terms, it answers the question every parent asks: “How much personalized, high-quality education does my child receive for every tuition dollar?” [Click here to learn more.](#)
