Parent Service Hours

Thank you for checking out Track it Forward, the program that keeps track of all of our wonderful parent volunteer hours. With students participating in service-learning and other volunteer projects in our community, our Parent Association also provides service and volunteer opportunities for parents and families to get involved both on and off-campus. As a way to manage and coordinate the plethora of events, projects, and programs that require volunteers throughout the year, we utilize Track It Forward as a way to log hours, sign-up for events, and manage your volunteerism. Student-Parent Handbook

[The La Salle College Preparatory Student-Parent Handbook \(the “Handbook”\)](#) is published and shared with members of our school community each year. The handbook provides important information regarding our governing policies, student code of conduct, and other guidelines for our entire school community. We ask that you please review this important resource and email dean@lasallehs.org if you have any questions.

La Salle’s Customization Value

The Customization Value Index (CVI) is La Salle College Preparatory’s data-driven measure of educational value. It compares the level of academic customization and innovation that students experience against the tuition that families invest. In simple terms, it answers the question every parent asks: “How much personalized, high-quality education does my child receive for every tuition dollar?” [Click here to learn more.](#)
