Session 1: Behind the Decision: What Really Happens to Your Student's College Application

- Open to 11th-12th grade parents
- Dining Hall

- Brandy Martinez, M.Ed., a Senior Assistant Director for Regional Enrollment at Miami University, will share what really happens after a student submits a college application. Brandy will demystify the college admissions process and what happens after students hit the submit button. This session will provide an inside look at how colleges evaluate applications, including academics, course rigor, activities, essays, context, and other factors that can influence admission decisions. We'll also address common admissions myths and share practical insights to help families better understand and navigate the college admissions process.

Session 2: A Conversation About Building Sustainable Ambition for Your Student in a High-Pressure World

- Open to 9th-12th grade parents
- Theater
- Nan Wang, an AMFT/APCC psychotherapist at Kinnection Group in Pasadena, will share insights about how our students set meaningful goals and how they pursue them, which often makes the difference in reaching them. Today's students are growing up in a fast, competitive, and uncertain world, surrounded by peers who seem to do it all and constant pressure to keep up. In this session, we'll explore how to support our students in striving from a place of confidence instead of white-knuckling their way through, working toward a shared framework that helps them define success on their own terms and realize their ambitions in a healthy, sustainable way.

Session 3: Finding the Right College Fit for Your Student

- Open to 10th-12th grade parents
- Atrium
- Isaac Cervantes, a Regional Assistant Director at Lehigh University, will share information about how finding the right college is about more than rankings and reputation. Join us for an interactive session exploring the key factors to consider in your college search, from academics and campus culture to affordability and opportunities beyond the classroom. Discover how to identify your priorities, ask meaningful questions, and find a college where you can thrive!

Each group that raced focused on working together, and it led to our best showing at Woodbridge with the following athletes proving their competitiveness and teamwork by earning themselves medals in fields ranging between 100 to 300 athletes deep. Club Day

Club Day was in full swing as our Lancers explored ways to get involved beyond the classroom! From service, culture, and wellness to science, sports, the arts, and a wide range of unique interests, there's something for everyone.

If students don't find a club that fits, they're encouraged to bring new ideas to the table and help shape campus life in their own way. We can't wait to see where their interests take them this year!

Open House 2026

See what 70 years of excellence looks like today.

Join us for our Open House on Sunday, November 8, from 12–2 PM to experience La Salle firsthand. Meet our community, explore our campus, and learn more about the academics, athletics, arts, faith, and student life that shape the Lancer experience.

Come see why generations of families have chosen La Salle, and what could be waiting for yours.

Five Core Principles Prayer Service

This week our La Salle community came together for the Five Core Principles Prayer Service, centered on the theme “Build a Relationship with God.”

Gathered in the Gym and Dining Hall, students spent time in prayer, reflection, and conversation as they considered their relationship with God and how faith can guide them in their everyday lives. Through moments of reflection and shared activities, our Lancers were encouraged to pause, connect, and deepen their faith as a community.

Mid-Autumn Festival Celebration

Yesterday's lunch brought a little extra celebration to campus with a special Mid-Autumn Festival event for our Lancers! Students enjoyed traditional mooncakes and snacks, tested their skills with riddles in Chinese, English, Spanish, and French, watched a live guzheng performance, and joined in on a raffle throughout the celebration.

A big thank you to the student and parent volunteers who helped bring the event together and gave our Lancers a chance to experience and celebrate this meaningful cultural tradition.

National Hispanic Institute

This past summer, 19 Lancers participated in leadership programs with the National Hispanic Institute (NHI), building their skills through debate, civic engagement, collaboration, and leadership experiences across the country. Several students also earned special recognition for their work:

Kira Jervey '29 — All-State Award for Leader in Cross Examination
Matias Posada-Awad '29 — First Place in Cross Examination
Finn Sternlicht '28 — Chief Supreme Court Justice
Florence Duffy-Waldie '28 — Nominee for Outstanding Legislator
Adelina Jackson '28 — Best Debater in the House of Representatives
Jade Martin-Gomez '27 — Most Valuable Player for Schreiner University

We're proud of all 19 students who represented La Salle this summer through the California Sol Great Debate, Colorado Lorenzo De Zavala Youth Legislative Session, and Rocky Mountain Collegiate World Series.

Special shout-out to all participants: Evelyn Flores '29, Margeaux Torrence '29, Max Perez '29, Quinn Cevallos '29, Brian Flores '28, Giselle LeDuff '28, Gladys Duffy-Waldie '28, Johannes Alvarado '28, Jesse Quezada '28, Logan Fisher '28, David Conchas '27, Alexander Perez '27, and Maya Ulick-Gallegos '27.
