8/28: XC Recap - PR City, Norco

We opened with the girls JV race, and it was their first race of the season and they showed off all the hard work they put in over the summer, pushing to new seasons best times. The Boys JV ran next with 7 of the boys finishing in the top 60 each earning themselves a medal and placing 4th in the overall team competition for their race. Once the sun was well set, the Girls Varsity pushed themselves, with one of our girls, Liv Gonzalez, pushing herself to earn a medal in her race. Our Boys raced valiantly in the varsity race that began at 10pm. They pushed the effort and many of them set PRs for the 3 mile distance, putting themselves in a great spot to start the season. We have only just begun to see the strength of our Cross Country team this year and I can't wait to see where we go.

# School News

## **Back to School Night**

Last week, our La Salle families had the opportunity to connect, learn, and get a closer look at the year ahead.

Senior parents began the night with College Night, hearing from our counselors about the college application process and preparing for the road ahead.

Freshmen and transfer families attended the Navigating Your First Year at La Salle presentation, where they received helpful guidance on supporting their children as they start their Lancer journey.

The evening continued with Back to School Night, giving parents the chance to walk the halls, follow their child's schedule, meet their teachers, and experience a little bit of what a day at La Salle looks like.

Thank you to all our families who joined us, and to our faculty, staff, and student ambassadors for helping make this a warm and welcoming start to the school year!

**Ready to become a Brand New Lancer?**

With great opportunity comes a brand new beginning.

Applications for the 2027–2028 school year are officially open! Whether you're ready to discover new passions, take on new challenges, or find the place you'll call home, your La Salle story can start right here.

Ready to become a Brand New Lancer? Visit [lasallehs.org/apply](https://lasallehs.org/apply) to take the first step toward your next chapter.

**Donor Appreciation Reception**

Our annual Donor Appreciation Reception was a special opportunity to celebrate the generosity, commitment, and lasting impact of those who believe in La Salle and our students.

This year, we were especially proud to welcome Dr. Stephanie Paggi, Glenn Chung and Anny Poon P'26, P'28 as new members of the Buttimer Society, and John Moe '68, Brent and Lynnea Schoenbaum P'16, P'19, P'24, and Martin Wang and Annie Hou P'26 as new members of the Bene Merenti Society, recognizing significant milestones in their lifetime giving to La Salle.

Their generosity is part of a much larger story of support that makes La Salle what it is today. Every gift, every act of service, and every expression of belief in our mission matters and helps create opportunities for our students while strengthening La Salle for generations to come.

To all who give, serve, advocate, and believe in La Salle—thank you for being an important part of the Lancer Family.

## **Throwback Thursday**

A little Friday night lights through the years. 🏈 As we look back on some football memories from the archives, we're getting ready to make some new ones tomorrow night.

Join us for the Student Life Tailgate at 5:30 PM, then cheer on Varsity Football as the Lancers take on the Arcadia Apaches at 7 PM.
