Information for Wednesday, October 7, 2026 - NO SCHOOL FOR SENIORS

Freshmen, Sophomores and Juniors Standardized Testing

We will have Standardized Testing for Freshmen, Sophomores, and Juniors on Wednesday, October 7. Freshmen will take the PreACT8/9, Sophomores will take the PreACT, and Juniors will take the PSAT. Testing starts at 8:15 am and finishes around 11:00 for the PSAT and around 11:45 for the PreACT8/9 and the PreACT. Students are dismissed once testing is completed. Seniors have no school that day and are encouraged to use that day to visit colleges or work on their college applications.

Freshmen and Sophomores: The PreACT8/9 and the PreACT are both paper-based tests, students should bring the following:

- Pencils
- Eraser
- Calculator (not required but beneficial)
- A snack and a bottle of water (to be consumed during break)

Juniors: The PSAT will be taken with the students' laptop or iPad (with a keyboard) with [Bluebook](#), College Board's testing application, downloaded and installed. Bluebook doesn't support student-owned Chromebooks. Juniors were instructed to download Bluebook on their devices during the 10/1 Mentor period, so a vast majority of juniors will already have it installed by the time you are reading this bulletin. They were also given a sign-in ticket, where they can access sample questions and a full-length practice test. Please reach out to Mr. Hou, our Standardized Testing Coordinator, at ohou@lasallehs.org, if your student needs to borrow a laptop for testing. Juniors should bring:

- A charged laptop or iPad (with a keyboard) with Bluebook installed
- Pencils (scratch paper will be provided for the math section)
- Calculator (there is also a graphing calculator built into Bluebook)
- A snack and a bottle of water (to be consumed during break)

[Sophomore testing classroom assignments](#)

[Juniors testing classroom assignments](#)

Room assignments will also be posted by the reception area and by the La Cascade entrance by Tuesday afternoon.

Dress code for that day will be Friday attire: LS spirit shirt tops and LS sweatpants.

Students who missed Wednesday's testing will be expected to take the makeup test after school on Friday, October 23, at 1 pm.

Please reach out to Mr. Hou at ohou@lasallehs.org if you have any questions.

HEAT ADVISORY

With temperatures expected to reach around 100°F in Pasadena next week, we want to remind families to help students stay safe and comfortable in the heat. Please encourage your child to drink plenty of water throughout the day, apply sunscreen, and avoid prolonged time in direct sunlight. Students should also listen to their bodies and let an adult know if they feel dizzy, weak, or overheated. The air-conditioned gym will be available to students during the lunch period Monday, Tuesday, (No lunch period Wednesday), and Thursday, as a cool place to eat and take a break from the heat. The air-conditioned dining hall is also available during the lunch period next week daily. Our homecoming lunchtime activities will be moved into the gym. Thank you for helping us keep our students healthy and safe!

Session 1: Behind the Decision: What Really Happens to Your Student's College Application

- Open to 11th-12th grade parents
- Dining Hall
- Brandy Martinez, M.Ed., a Senior Assistant Director for Regional Enrollment at Miami University, will share what really happens after a student submits a college application. Brandy will demystify the college admissions process and what happens after students hit the submit button. This session will provide an inside look at how colleges evaluate applications, including academics, course rigor, activities, essays, context, and other factors that can influence admission decisions. We'll also address common admissions myths and share practical insights to help families better understand and navigate the college admissions process.

Session 2: A Conversation About Building Sustainable Ambition for Your Student in a High-Pressure World

- Open to 9th-12th grade parents
- Theater
- Nan Wang, an AMFT/APCC psychotherapist at Kinnection Group in Pasadena, will share insights about how our students set meaningful goals and how they pursue them, which often makes the difference in reaching them. Today's students are growing up in a fast, competitive, and uncertain world, surrounded by peers who seem to do it all and constant pressure to keep up. In this session, we'll explore how to support our students in striving from a place of confidence instead of white-knuckling their way through, working toward a shared framework that helps them define success on their own terms and realize their ambitions in a healthy, sustainable way.

Session 3: Finding the Right College Fit for Your Student

- Open to 10th-12th grade parents
- Atrium

- Isaac Cervantes, a Regional Assistant Director at Lehigh University, will share information about how finding the right college is about more than rankings and reputation. Join us for an interactive session exploring the key factors to consider in your college search, from academics and campus culture to affordability and opportunities beyond the classroom. Discover how to identify your priorities, ask meaningful questions, and find a college where you can thrive!

For Parents of Seniors: The FAFSA & CSS Profile Are Now Open

The **2027–2028 FAFSA and CSS Profile are now open!** All families, regardless of income, are encouraged to apply for financial aid. Some colleges use the financial aid application to award merit-based aid and scholarships.

FAFSA: The Free Application for Federal Student Aid (FAFSA) is used to determine eligibility for federal and state financial aid. Families should complete the [FAFSA](#) as soon as possible.

CSS Profile: Some private colleges and universities also require the CSS Profile to determine eligibility for institutional financial aid. Not every college requires the CSS Profile, so students should check the financial aid requirements for each college on their list. Click [here](#) for the CSS application and participating college list.

Please remember that **financial aid deadlines vary by college**, particularly for Early Decision and Early Action applicants. Students and families should review each college's financial aid website carefully to ensure all required forms are submitted by the appropriate deadlines.
