La Salle Welcomes Educando Statale SS. Annunziata

Our first cultural exchange with Educandato Statale SS. Annunziata in Florence, Italy, is bringing a new global connection to campus! 🇮🇹 Through our Cultural Perspectives Program, visiting students and faculty are spending time in classes, connecting with our community, and experiencing life as Lancers during their stay.

This new partnership gives students the opportunity to build friendships, share cultures, and learn from one another beyond the classroom. We're grateful to our student hosts, families, faculty, and staff for helping make this exchange such a meaningful experience.

Fall Academic Awards

This week, we took a moment to celebrate the academic achievements of our Lancers during the Fall Academic Awards Assembly. Students were recognized for accomplishments earned during the second semester of last school year, highlighting the hard work, dedication, and growth that continue to shape their La Salle experience.

The assembly also celebrated the programs, academic pathways, honor societies, teams, and teachers who help make those achievements possible. Congratulations to all of our honorees and to everyone who continues to support our students along the way!

Happy Halloween Lancers 🎃

Student Life's annual Trunk or Treat brought out the costumes, decorated cars, and, most importantly, plenty of candy. From creative looks to some seriously committed costumes, our Lancers showed up ready for Halloween. Wishing everyone a safe and Happy Halloween!!!

Parent Service Hours

With students participating in service-learning and other volunteer projects in our community, our Parent Association also provides service and volunteer opportunities for parents and families to get involved both on and off-campus. As a way to manage and coordinate the plethora of events, projects, and programs that require volunteers throughout the year, we utilize Track It Forward as a way to log hours, sign-up for events, and manage your volunteerism. Student-Parent Handbook

[The La Salle College Preparatory Student-Parent Handbook \(the “Handbook”\)](#) is published and shared with members of our school community each year. The handbook provides important information regarding our governing policies, student code of conduct, and other guidelines for our entire school community. We ask that you please review this important resource and email dean@lasallehs.org if you have any questions.

La Salle’s Customization Value

The Customization Value Index (CVI) is La Salle College Preparatory’s data-driven measure of educational value. It compares the level of academic customization and innovation that students experience against the tuition that families invest. In simple terms, it answers the question every parent asks: “How much personalized, high-quality education does my child receive for every tuition dollar?” [Click here to learn more.](#)
