School News

Veterans Day

In honor of Veterans Day, our Lancers gathered for a special assembly to recognize those who have served and continue to serve in the U.S. Armed Forces. Hosted by our Wounded Warriors Club, the afternoon featured a special performance by the 300th U.S. Army Band and an opportunity to honor veterans and service members connected to our La Salle community.

As we observe Veterans Day, we are grateful for the courage, sacrifice, and commitment of all who have served. ❤️🤍💙

Junior Retreat

Our Juniors recently spent time together at Mount Kare in Wrightwood for their Junior Retreat, stepping away from the usual rhythm of school to be present with one another, reflect on where they are in their journeys, and consider the relationships and faith that continue to shape who they are becoming.

These retreats are an important part of the La Salle journey, giving students space to slow down, open up, connect more deeply with one another, and explore how faith, prayer, and the presence of God can take on greater meaning in their lives.

Below, you'll find a few resources to help guide and prepare both parents and students throughout the school year.

Need to Find a Therapist? Care Solace Can Help!
La Salle partners with Care Solace to help our community and their loved ones find mental health support. This is a free and confidential service that can quickly find a therapist or other service providers who are matched to your needs, regardless of circumstances.

- Call 888-515-0595. Support is available 24/7/365 in any language
- Visit www.caresolace.com/lscp and either search on your own OR click "Call Now" for assistance

Parent Service Hours
Thank you for checking out Track it Forward, the program that keeps track of all of our wonderful parent volunteer hours. With students participating in service-learning and other volunteer projects in our community, our Parent Association also provides service and volunteer opportunities for parents and families to get involved both on and off-campus. As a way to manage and coordinate the plethora of events, projects, and programs that require volunteers throughout the year, we utilize Track It Forward as a way to log hours, sign-up for events, and manage your volunteerism. Click here to register.

Student-Parent Handbook
The La Salle College Preparatory Student-Parent Handbook (the "Handbook") is published and shared with members of our school community each year. The handbook provides important information regarding our governing policies, student code of conduct, and other guidelines for our entire school community. We ask that you please review this important resource and email dean@lasallehs.org if you have any questions.

La Salle's Customization Value
The Customization Value Index (CVI) is La Salle College Preparatory's data-driven measure of educational value. It compares the level of academic customization and innovation that students experience against the tuition that families invest. In simple terms, it answers the question every parent asks: "How much personalized, high-quality education does my child receive for every tuition dollar?" Click here to learn more.

General Contact Information
Please see the Contact Information sheet for a list of departments and their emails for any specific questions you may have.
