Save the date for a milestone celebration. ✨

Join us on Friday, May 7, 2027, for Crystal Ball: The Legacy Continues, as we celebrate 70 years of La Salle traditions, friendships, and the generations who have helped shape our story.

More than a celebration, Crystal Ball helps carry that legacy forward by creating meaningful opportunities for the Lancers who come next. Together, we'll honor the past, celebrate the present, and help shape the next chapter of La Salle.

Lancer Drama presents: MACBETH

Lancer Drama brought Macbeth to the stage this fall, transforming Shakespeare's classic into a production of bold performances, striking visuals, and plenty of drama.

With sold-out performances throughout its run, the production is a testament to the time, creativity, and dedication of everyone who helped bring it to life, from the cast onstage to the students and team working behind the scenes. Congratulations to everyone involved in making Macbeth such a memorable production! What a way to close out Lancer Drama's fall production season. 🎭👏

Junior Leadership Ceremony

The Junior Leadership Ceremony marks an important milestone for the Class of 2028; it's a special La Salle tradition that welcomes our juniors into their growing roles as upperclassmen and leaders within our school community.

As they look ahead to their senior year, this moment reminds them of the example they are called to set through faith, service, and the way they support and inspire those around them. We look forward to seeing them continue to grow and lead throughout their La Salle journey.

Fall Art Show

Our Fall Visual Art Show celebrated the creativity and talent of more than 150 La Salle student artists, showcasing the incredible work they've created throughout the semester. From detailed drawings and colorful paintings to imaginative ceramics and more, each piece reflected the creativity, individuality, and hard work our Lancers have poured into their art.

Below, you'll find a few resources to help guide and prepare both parents and students throughout the school year.

Parent Service Hours

Thank you for checking out Track it Forward, the program that keeps track of all of our wonderful parent volunteer hours. With students participating in service-learning and other volunteer projects in our community, our Parent Association also provides service and volunteer opportunities for parents and families to get involved both on and off-campus. As a way to manage and coordinate the plethora of events, projects, and programs that require volunteers throughout the year, we utilize Track It Forward as a way to log hours, sign-up for events, and manage your volunteerism. Student-Parent Handbook
The La Salle College Preparatory Student-Parent Handbook (the "Handbook") is published and shared with members of our school community each year. The handbook provides important information regarding our governing policies, student code of conduct, and other guidelines for our entire school community. We ask that you please review this important resource and email dean@lasallehs.org if you have any questions.

La Salle's Customization Value
The Customization Value Index (CVI) is La Salle College Preparatory's data-driven measure of educational value. It compares the level of academic customization and innovation that students experience against the tuition that families invest. In simple terms, it answers the question every parent asks: "How much personalized, high-quality education does my child receive for every tuition dollar?" Click here to learn more.
