Center for Cultural Perspectives

This past week, we had our visiting group from Florence, Italy, and together, we formed an incredible friendship that will last forever for each one of us. Our new partnership with Educandato Statale SS. Annunziata not only brings a new global connection to our community, but also takes us to one of the most incredible places on earth for culture, civilization, history, and the arts. We are so grateful to our host families, student hosts, faculty, and staff for making this exchange such a meaningful experience. We would also love to have more families join La Salle's global outreach.

Next, Lancers will head to Reims and Paris, France, for our first outgoing exchange of this academic year. We will return to the home of Saint John Baptist De La Salle and the first classroom of La Salle school, where our legacy started 300+ years ago. Bonjour, bienvenue en France!

All Souls Day

Our La Salle community gathered for an All Souls Day Liturgy, taking time to remember and pray for those who have gone before us.

Through prayer, reflection, and the celebration of Mass, we honored the lives of loved ones who have passed and held their memories close. May we continue to find comfort in faith, hope, and the promise of eternal life.

Fall Fiesta

At our annual Fall Fiesta, hosted by our Sociedad Honoraria Hispánica, students celebrated Hispanic culture while honoring loved ones who have passed as part of our Día de Muertos festivities.

From live music and traditional treats to colorful displays and hands-on activities, there was plenty to enjoy throughout the afternoon. It was a beautiful way to celebrate culture, creativity, and remembrance together.

Join us for our Open House on Sunday, November 8, from 12–2 PM to experience La Salle firsthand. Meet our community, explore our campus, and learn more about the academics, athletics, arts, faith, and student life that shape the Lancer experience.

Parent Service Hours
Thank you for checking out Track it Forward, the program that keeps track of all of our wonderful parent volunteer hours. With students participating in service-learning and other volunteer projects in our community, our Parent Association also provides service and volunteer opportunities for parents and families to get involved both on and off-campus. As a way to manage and coordinate the plethora of events, projects, and programs that require volunteers throughout the year, we utilize Track It Forward as a way to log hours, sign-up for events, and manage your volunteerism. Click here to register.

Student-Parent Handbook
The La Salle College Preparatory Student-Parent Handbook (the "Handbook") is published and shared with members of our school community each year. The handbook provides important information regarding our governing policies, student code of conduct, and other guidelines for our entire school community. We ask that you please review this important resource and email dean@lasallehs.org if you have any questions.

La Salle's Customization Value
The Customization Value Index (CVI) is La Salle College Preparatory's data-driven measure of educational value. It compares the level of academic customization and innovation that students experience against the tuition that families invest. In simple terms, it answers the question every parent asks: "How much personalized, high-quality education does my child receive for every tuition dollar?" Click here to learn more.

General Contact Information
Please see the Contact Information sheet for a list of departments and their emails for any specific questions you may have.
